

COME TO A WOODLAND PARTY

The party is held in a small, private woodland, half a mile down a farm track. There's a big shelter, a toilet, plenty of seats and the adventure awaits!

WHERE TO FIND IT

Just off the A27 between Polegate and Wilmington, near Eastbourne.

Don't try and use satnav - do take time to read the directions.

There is an accurate pin for the entrance to the farm track on Googlemaps – search for “Folkington Manor **Farm**” - NOT “Folkington Manor”.

It is 0.9 miles west of the Polegate traffic lights and 0.9 miles east of the Wilmington crossroads.

It is not at Folkington Manor, or in Folkington, or on Folkington Lane.

The entrance is on a slight bend, marked by two brick pillars.

Coming from Polegate on the A27, go past Folkington Lane, then slow down and indicate left when you reach the red warning triangle for a slippery road.

Coming from Wilmington, slow down and indicate right towards the end of the long straight part of road.

Follow the green arrows for about half a mile along the farm track, past the cottage with the hens, until you reach the car park area, where we meet. Don't take the turning to Folkington Manor!

THERE IS A STRICT 5 MILE PER HOUR SPEED LIMIT past the cottage on the track -there are farm collie dogs, chickens and children loose.

WHAT TO WEAR AND BRING

- Long trousers or leggings are essential, even in summer.
- Wellies or boots if it's wet, trainers if dry, no open toed shoes or crocs.
- Warm clothes as the trees make it cooler.
- Waterproof coats are good at keeping out the wind as well as any rain.
- Woolly hats are essential in cold weather.
- Dress up if you like!
- Bring any medication you would usually have.
- Please don't bring dogs. Please don't bring drones. The fields often have livestock in them.
- Sorry, but please don't bring siblings who are not part of the party (except non walking babies).
